A Full-Court Partnership

For more than four decades, EF Education First has worked with educators across the globe to break down barriers of language, culture and geography. As the World Leader in International Education, we are dedicated to providing international experiences to as many students as possible as part of an effort to prepare the next generation for success in an increasingly connected global society.

Now, EF Education First has teamed up with Assist Basketball Network, the world's largest basketball camp management solution, to help you take your international basketball experience to the next level. Not only will you be able to refine your basketball skills at some of the world's finest camps and tournaments, but you'll also have the opportunity to explore some of the world's most iconic sights, from the canals of Venice to the Swiss Alps to the Great Wall of China. As a basketball player and a global citizen, your trip with ABN and EF will be a once-in-a-lifetime experience.
