## WHAT IS ABN?

[Assist Basketball Network](#) is a camp management and professional scouting firm which has built Supercamps in Europe since 1992. In 1994, ABN brought its first USA teams to play at one of their Supercamps. The result was instant success! ABN has been sending teams to Europe since. The philosophy of ABN is to educate young men and women in history, culture, international politics, and global awareness by immersing them in new cultures. Our tours go much beyond playing basketball; our tours shape minds and attitudes.

## SIGHTSEEING

We offer the best of each destination with professional guides and luxury air conditioned buses to keep you safe and comfortable. There will be guided supervision at all times by an ABN Tour Leader to insure safety of the participants. Our goal is to bring history books to life.

## THE BEST OF ITALIAN CUISINE

- 2 meals daily included
- Buffet breakfasts
- Food tours
- Lunches and street food are not included in tour price

## BASKETBALL ACTIVITIES

ABN Tours are centered around basketball in Swiss and Italy. Your group will have a minimum of 5 full length contests against the best competition we can find. On most tours, an IHC (International Hoops Challenge) Tournament is created with multiple countries represented. What will you remember most about the tour? Not just the international games, but the post-game meals which are developed to create an atmosphere of goodwill between the players. A truly international experience in which new friends for life are created!

## INSURANCE

All ABN Tours require that obligatory insurance is bought and insurance coverage provided to ABN before a participant may participate in any activity.

## TRANSPORTATION

SAFETY IS OUR PRIORITY! We know you are putting your children's lives in our hands. Teams will use 50 passenger motor coaches from 5 star bus companies when traveling. Teams will travel on air conditioned luxury bus. Some with wi-fi. Teams are sometimes shuttled and using local trams to go back and forth to contests.

## AIR TRAVEL

ABN uses a variety of secure bonded travel agencies to secure group flight tickets and insurance.

Uniglobe, EF Tours, Anthony Travel, CTMS travel, Globus, etc... among others. These agencies are used for moving sport teams.

Your group booking will require a 20% down payment to secure tickets within 10 days of receiving your firm quote.

Your entire flight must be paid in full by agreed date or penalties / forfeitures will become effective.

## BENEFITS OF ABN TOURS

- Academic performance improves the year following a trip abroad. History books come alive!
- Students feel more confident and globally aware after a tour.
- Students become more respectful and inclusive to people of other cultures and ethnicities after tours.
- Students change their expectations and possibilities for future studies and careers. World becomes one!
- There is no better team building exercise for a team.
- Recruitment and team expectations change after Global challenges become regular.
- Students are immersed into other cultures and can even learn languages.
- Students can do mission work, go to language school if desired.
- A lot of fun, great meals and cool things to see.
