WHAT IS ABN?

Assist Basketball Network started as a camp management and professional scouting firm which began building Super camps in Europe in 1992. In 1994, ABN brought its first USA team (Free Agents) to play at one of their Supercamps and find jobs. ABN has been sending teams to Europe since. In the late 1990's ABN worked the European end of receiving nearly 50 teams from other tour operators to create super tournaments, and the start of the International Hoops Challenge began, The philosophy of ABN is to educate young men and women in history, culture, international politics, and global awareness by immersing them in new cultures. Our tours go much beyond playing basketball: our tours shape character and attitudes for lifetime benefits.

SIGHTSEEING

We offer the best of each destination with professional guides and luxury air conditioned buses to keep you safe and comfortable. There will be guided supervision at all times by an ABN Tour Leader to insure safety of the participants.

INSURANCE

All ABN Tours require that obligatory insurance is bought and insurance coverage provided to ABN before a participant may participate in any activity.

BENEFITS OF ABN TOURS

- Academic performance improves the year following a trip abroad.
- Students feel more confident and globally aware after a tour.
- Students become more respectful and inclusive to people of other cultures and ethnicities after tours.
- Students change their expectations and possibilities for future studies and careers.
- Recruitment and team expectations change after tours become regular.
- Students are immersed into other cultures and inspired to learn languages.
- Students can perform community service or teams take mission tours.
- Unique opportunity to participate in an International Hoops Challenge.
- Return home with lifetime international friends !!

AIR TRAVEL

ABN uses a variety of secure bonded travel agencies to secure group flight tickets and insurance. These agencies are used for moving sport teams.

Your entire flight must be paid in full by agreed date or penalties / forfeitures will become effective.

TRANSPORTATION

SAFETY IS OUR PRIORITY! We know you are putting your children's lives in our hands. Teams will use 50 passenger motor coaches from 5 star bus companies when traveling. Teams will travel on air conditioned luxury bus. Some with wi-fi. Teams are sometimes shuttled by local Metro and Transit systems in dense urban areas.

International Hoops Challenge

ABN will create an international basketball tournament to match your teams level of play. This is a unique offer that no other basketball tour company can offer you.

A two year fundraising program can reduce the price to as little as \$100 a month.
